Project Description

The contract with MBCI was for Improvements to BIA Route NOS 2242-0222 Industrial Drive/Road. The improvements on approximately 2.9 miles consisted of these major work items:

- mobilization,
- maintenance of traffic,
- minor base repair,
- removing approximately 62,000 square yds. of milling,
- installing 7,200 tons of hot mix asphalt overlay,
- striping of approximately 2.9 miles of Industrial Drive.

In addition to Construction Management services as Prime Contractor, IKBI self-performed approximately 15% of the work. The remainder of work was subcontracted out to local Small Businesses.
